Concept Ltd. Şti. is an independent testing laboratory in accordance with the ISO/EN 17025.

"This certificate does not contain any statement pertaining to the EMC and LVD protection
requirements governed by other laws to implement EC Directives other than the aforementioned
Council Directive 2004/108/EC and 2006/95/EC."

It confirms that the listed equipment complies with the principle protection requirements of the
Directives and applies only to tested sample and its technical documentation submitted to the
Concept for the testing and certification.

Certificate Number : N 12 0351 0019 00 NY
